

NEWS FROM REDLYNCH BOXING...

The website is finally up. This is a relatively new site and we hope to build on it. If anyone has a business or a link that they would like to have with us, please let us know and we will arrange it.

There is still lot's more to be developed so make sure you keep having a look to see any updates.

With the end of financial year here I'm sure everyone is getting their tax records together. Please let Rach know if you would like copies of your statements should you be in a position to claim a deduction.

We mentioned last month that we were looking into purchasing some software to help with streamlining the business; at this stage we have opted to maintain using Myob.

We are still looking at software which will allow us to sell packages ie 15 group training sessions or 15 PT sessions etc... so watch this space.

Lastly fees... 😊

We are facing tougher economic times especially in Cairns so it is with this in mind that we have opted not to increase fees.

However unfortunately we are in the predicament. After financial advice from our Accountant we will be registering for GST. This, for us presented a problem as to whether we absorb this 10% increase ourselves or pass it on to our clients as would normally be expected.

In light of our tough times we have considered the following as an alternative, so as to avoid increasing our fees, we will no longer be offering the loyalty bonus dollars. This is not to say that we no longer consider you all to be loyal clients totally the opposite in fact.

we are hoping that most of you will appreciate our predicament and accept this change in good faith

For the before mentioned reasons our payment plan options will be as follows:

Couples can pay \$500 incl GST towards their TAB and then invoiced monthly, at which point you can top up where necessary.

Individuals can pay \$250 incl GST towards their TAB and then invoiced monthly, at which point you can to up where necessary.

Casual clients will be required to make payment on the day, should you be unable to make payment you will be invoiced at the end of the week and payment will be required within 5 days.

Cancellations with less than 24 hours notice will require full payment as per our cancellation policy. Please feel free to reschedule another session within the week to avoid cancellation charges.

Our fees obviously will remain the same however now include GST.

We trust that this new payment plan satisfies everyone and we appreciate your loyalty and support whole heartedly.
